- E. Inclement weather; delay in filming. If a permit is issued and, due to inclement weather or other good cause, filming does not in fact take place on the dates specified, the Borough Clerk may, at the request of the applicant, issue a new permit for filming on other dates subject to full compliance with all other provisions of this chapter. No additional fee shall be paid for this permit.
- F. Issuance.
- (1) No permit shall be issued for filming at a particular location in a residential zone within the borough which would permit filming at such location on more than four days during any one calendar year, unless a waiver is obtained in accordance with Subsection I.
- (2) No permit shall be issued for filming upon public lands within the borough unless the applicant for such permit:
- (a) Provides proof of insurance coverages for bodily injury for any one person in the amount of \$500,000 and for any aggregate occurrence in the amount of \$1,000,000.
- (b) Agrees, in writing, to indemnify and save harmless the borough from any and all liability or damages resulting from the use of such public lands.
- G. Denial of permit. The Borough Clerk may refuse to issue a permit whenever (s)he determines, on the basis of objective facts after a review of the application and a report thereon by the Police Department and by other borough agencies involved with the proposed filming site, that filming at the location and/or time set forth in the application would violate any law or ordinance or would unreasonably interfere with the public's use of public lands, unreasonably interfere with the use and enjoyment of adjoining properties, unreasonably impede the free flow of vehicular or pedestrian traffic or otherwise endanger the public's health or welfare.
- H. Appeal of denial; waiver of requirements.
- (1) Any person aggrieved by a decision of the Borough Clerk denying or revoking a permit, or a person requesting relief pursuant to Subsection I, may appeal to the Mayor and Council. An appeal from the decision of the Borough Clerk shall be filed within 10 days of the Borough Clerk's decision.
- (2) The Mayor and Council shall set the matter down for a hearing within 30 days of the day on which the notice of appeal was filed. The decision of the Mayor and Council shall be in the form of a resolution. Such resolution shall be approved by the Mayor and Council at the first regularly scheduled public meeting of the Mayor and Council after the hearing on the appeal, unless the appellant agrees, in writing, to a later date for the decision. If such a resolution is not adopted within the time required, the decision of the Borough Clerk shall be deemed to be reversed and a permit shall be issued in conformity with the application or the relief pursuant to Subsection I shall be deemed denied.
- I. Waiver of requirements. The Mayor and Council may authorize a waiver of any of the requirements or limitations of this chapter and may authorize filming other than during the hours herein described, may extend the duration of a

permit beyond 10 days, may permit filming at a particular location in a residential zone on more than four days during any one calendar year or may waive any other limitation or requirement of this chapter whenever it determines that strict compliance with such limitations will pose an unreasonable burden upon the applicant and that such a permit may be issued without endangering the public's health, safety or welfare.

- G. The holder of a permit for filming on public lands shall hire, at such person's sole cost and expense, a minimum of two Alpine police officers for daylight and nighttime duty as determined by the Chief of Police, which officers will be present at the site at all times during the filming.
[Amended 11-24-1998 by Ord. No. 549]
- H. Automobiles, trucks and all other vehicles owned, leased or used by the holder of a permit for either residential or public land filming shall not park the same on more than one side of the street.
